如何申請加入 Cloud9 (一)

- 1 請發一封信給錢老師 (wolfgang.chien@gmail.com)
來信請註記你的名字以及預備申請 Cloud9 的 E-mail 位址
- 2 錢老師將你的 E-mail 位址輸入到 Cloud9 系統
- 3 Cloud9 寄出信件，邀請你加入
- 4 複製並貼上邀請函內附的網址到瀏覽器網址列
- 5 填寫申請表單

如何申請加入 Cloud9 (二)

如何申請加入 Cloud9 (三)

The screenshot shows a web browser window with the following details:

- Address Bar:** c9.io/team/invite/9cxcLah1DAlyxZ59GQpC
- Header:** Team webclassroom has invited you to Your Team Invite
- Left Side Content:**
 - A large blue cloud icon with a white outline and a blue number 9 inside.
 - The text "Welcome to Cloud9 Teams!"
 - The message "You have been invited to join team webclassroom"
 - The instruction "Sign in or create an account to join the team."
 - Two green buttons: "Sign in" and "Create new account". The "Create new account" button is highlighted with a red rectangular border.
 - The note "You will automatically be added to the team once you have logged in to an account."
- Right Side Content:**
 - A large blue cloud icon with a white outline and a blue number 9 inside.
 - The text "Have an existing account?"
 - The "Sign In" button.

A large grey callout box with a red border and the number 5 is overlaid on the "Create new account" button, indicating the step to take.

如何申請加入 Cloud9 (四)

The screenshot shows a web browser window for Cloud9's sign-up process. The URL in the address bar is c9.io/signup/fullname. The page is titled "What can I call you?". A red box highlights the "Your Name" input field, which contains "student25". Below the input field is a note: "Your name will show up in your public user profile, alongside any public workspaces you have." At the bottom of the left panel is a green "Next >" button. To the right, a large blue panel displays the number "6" in a box, followed by the text "Hi! Awesome to meet you!" and a box containing the Chinese text "填入你的名字". A white cloud icon with the number "9" is visible in the bottom right corner of the blue panel.

如何申請加入 Cloud9 (十二)

建立新的 Workspace (一)

The screenshot shows the Cloud9 IDE interface. On the left, there's a sidebar with a user icon, the name "appdev1226", and links for "MENU", "Workspaces", "Shared With Me", and "Repositories". Below that, it says "YOUR CLOUD9 IDEs" and "Webide: Free" with an "Update" button. The main area is titled "Workspaces" and features a large button with a plus sign and the text "Create a new workspace". To the right of this button is a "Demo Project" card with the text "Cloned from ajaxorg/demo-project", a description of the project, and an "Open" button. At the top of the browser window, the URL is https://c9.io/appdev1226.

Workspace = 虛擬主機

1

點按「Create a new workspace」

建立新的 Workspace (二)

The screenshot shows a web browser window with a toolbar at the top containing various icons and links. Below the toolbar, the main content area displays a form for creating a new workspace. The form includes fields for 'Workspace name' (containing 'your-project-name') and 'Description'. At the bottom, there are tabs for 'Hosted workspace' (which is selected), 'Clone workspace', and 'Remote SSH workspace'. A 'Private' option is also present. A large red box highlights the 'Workspace name' field. A red number '2' is overlaid on the right side of the page, and a callout box contains the text '輸入 Workspace 名稱，例如：lab'.

Description

Make a short description of your workspace

Hosted workspace Clone workspace Remote SSH workspace

Private

This is a workspace for your eyes only

2

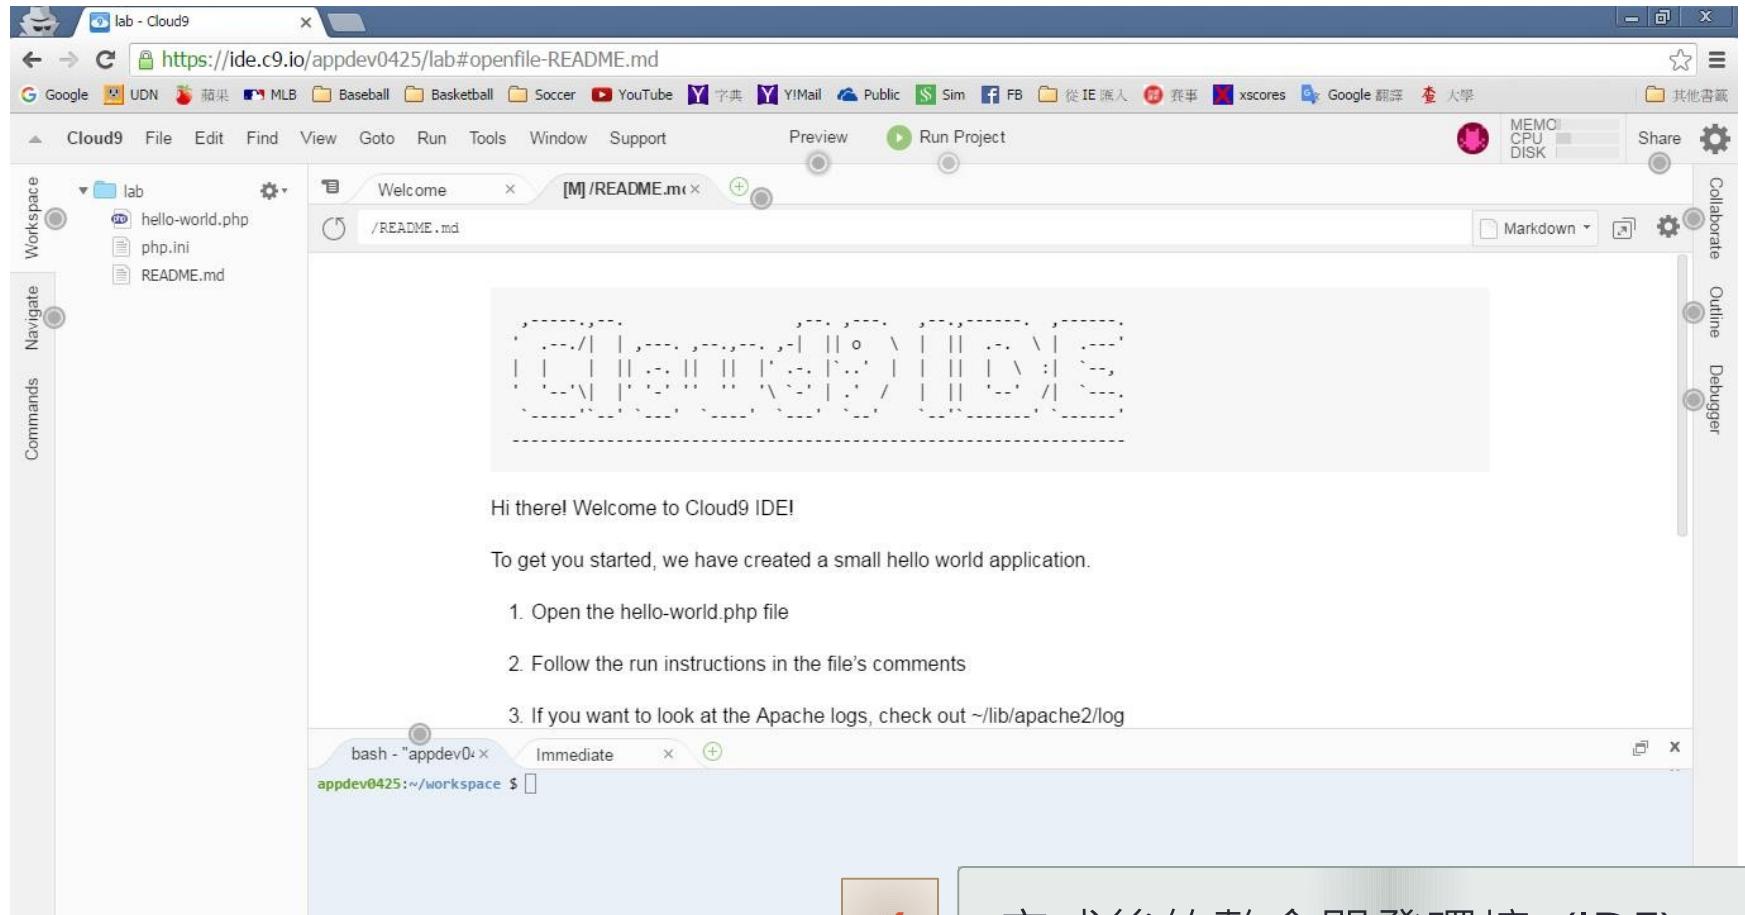

輸入 Workspace 名稱，例如：lab

This will create a workspace for everybody to see

建立新的 Workspace (三)

The screenshot shows the 'Create a New Workspace' page of the Cloud9 IDE. At the top, there are two options: 'Private' (a workspace for your eyes only) and 'Public' (a workspace for everybody to see). Below these are fields for cloning from Git or Mercurial URL (optional), with an example 'e.g. ajaxorg/ace' entered. The next section, 'Choose a template', contains various options: HTML5, Node.js, Meteor, PHP, Apache & ..., Python, django, Ruby, C++, Wordpress, Rails Tutorial, Blank, and CS50. The 'PHP, Apache & ...' template is highlighted with a red box. At the bottom left is a green 'Create workspace' button.

關閉 Workspace = 結束連線

The screenshot shows the Cloud9 IDE interface. On the left, there's a sidebar with tabs for 'Workspace' (selected), 'Navigate', and 'Commands'. A red number '1' is placed over the 'Cloud9' tab in the top navigation bar. A red number '2' is placed over the 'Quit Cloud9' option in the workspace menu.

Workspace Menu:

- About Cloud9
- Preferences Ctrl-,
- Go To Your Dashboard
- Open Your Project Settings
- Open Your User Settings
- Open Your Keypad
- Open Your Init Script
- Open Your Stylesheet ext.html
- Restart Cloud9 Ctrl-R
- Quit Cloud9

IDE Area:

File Edit Find View Goto Run Tools Window Support Preview Run

https://ide.c9.io/appdev1226/lab#openfile-README.md

Code editor showing README.md content:

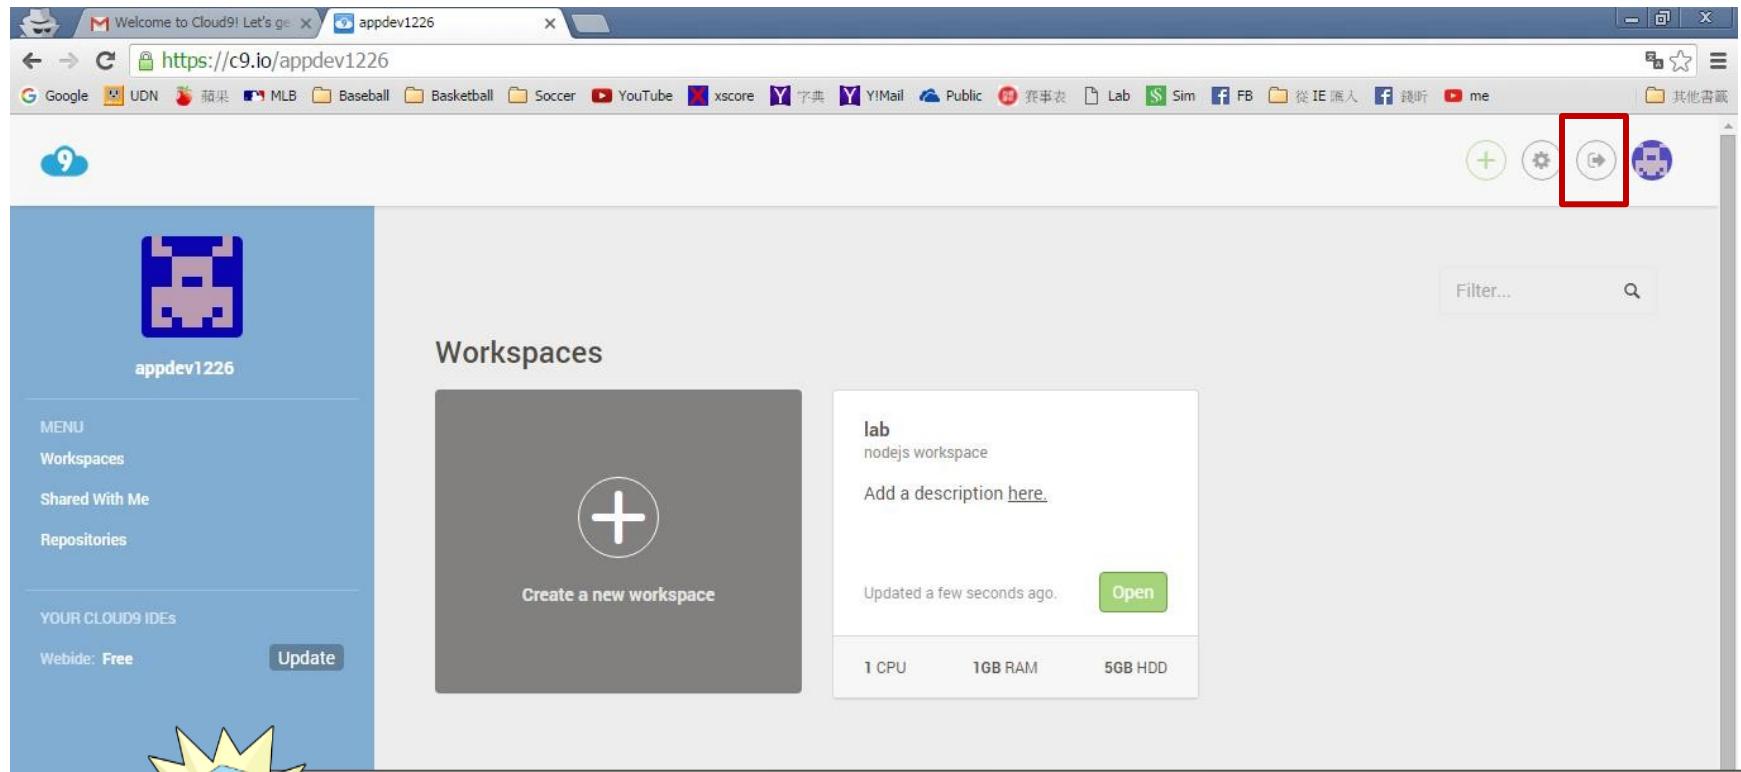

```
<!DOCTYPE html>
<html>
<head>
<meta charset="UTF-8">
<title>jQuery Lab - Controls</title>
<link rel="stylesheet"
      href="jquery.mobile-1.3.2/jquery.mobile-1.3.2.min.css" />
<script src="jquery-1.9.1.min.js"></script>
<script src="jquery.mobile-1.3.2/jquery.mobile-1.3.2.min.js"></script>
```

A tooltip with a red border and rounded corners is displayed in the bottom right corner. It contains two parts of text:

點一下功能表「Cloud9」

點按 Quit Cloud9 可結束連線並登出

控制面板右上角有設定與登出按鈕

點按右上角紅色框框按鈕（圖案為向右箭頭），可登出「Cloud9」網站。

只要有網路，隨時可以創作（一）

The screenshot shows a web browser window with the URL <https://c9.io>. The main page is titled "Cloud9 - Your development environment, in the cloud". It features a "SIGN IN" button highlighted with a red box. Below it, there's a sign-up form with fields for "Your e-mail address" and a "Sign Up" button. A modal window is overlaid on the page, containing two numbered steps: 1. 连上 <http://ide.c9.io> and 2. 输入帳號密碼登入.
